Dunhill cigarettes

Dunhill brand history Debut in 1907 when Mr. Dunhill opened his first store with **tobacco** products, in one of the most select neighborhoods of London, Duke Street, where the elite of English aristocracyto meet and spend their afternoons in the famous "gentelmen 's clubs."
With a strong entrepreneurial feel, Mr. Dunhill realized from the outset that in order to engage in such exclusive circles, he should provide adequate tobacco products. Thus Mr. **Dunhill** decided to prepare mixtures that he will note in the catalog "My mixture," wich can be admired as a manuscript today.
