

Why cheap cigarettes

Cheap cigarettes – the ideal way to get your tobacco related products.

In the back of our online cigarettes store there is an entire team working to offer you first quality products as well as good prices. We have the warehouse division, in charge of stocks and supplying us with first quality products within the specified time frame, we have the online team, responsible with the website/support, making the connections between clients and warehouse, responsible of the information and goods channels. We have the management guys dealing with payments, postal delivery, solving the problems that may occur.

We try to establish long time relations with our clients. This policy will benefit both the cheap cigarettes store and the customers. We will make a good business and the clients will get first quality goods at a good price, secure payments and fast, reliable delivery. You will find here the same cigarettes that you are buying from your corner tobacco store, only cheaper. The image on the package may be slightly different.

Legislation is different from one country to another. We respect the laws in our country and we ask that you do the same. You can shop on our cheap cigarettes online store only for yourself, please do not resell the products. You must have the legal age in your country to have the legal right to buy our products.

For any problems with the payment, delivery or quality of the products, if you are in any way dissatisfied with our products, please contact our support team. By doing this you will have your problem solved, and we will increase the quality of our products/services. The cheap cigarettes team thank you in advance for doing this.

Postal services are different from one country to another. You can receive the merchandise you purchased from us at your door or you may have to go and pick it up at your closest postal office. This is not up to us, but to your local postal service operator. For fast delivery of cheap cigarettes and tobacco products you may always choose to use the special couriers; this will cost you more than regular postal service.

Have you tried a new cigarette brand in the last year? We encourage you to try new flavors, new tobacco brand. The tobacco industry is evolving, just like any other industry, so you have always the option to discover new exotic products that you cannot find in your country of residence – only at our cigarettes online store – There are more than 3000 brands of cigarettes. If you want to try a specific brand and this is not listed on our website, please ask and we will do our best to find it.

Not all the cash processing companies are working with online cigarette stores, If you are having problems with one payment method we encourage you to try an alternate. We are trying to constantly improve our offer and have good partners to work with.
