L&M cigarettes

The **L&M cigarettes** are being sold successfully in more than 60 countries worldwide. At present, **L&M cigarettes** are also available in our online store.

Originally created by the company Liggett & Myers, **L&M** is a brand of premium **cigarettes** produced by Altria Grup. Prior to a new roll out in October 2007, they were not very present on the market in the continental US, but were and are sold almost everywhere in the world. They are also widely known and appreciate in Europe. Due to new labeling regulations in Europe which lead to banning the use of the word 'lights' the result was changing the names of some cigarette brands, for example **L&M Lights** are now L&M Blue Label.

Buy your **L&M cigarettes** from one of the largest retailers of **cigarettes** around. All well known cigarettes brands like L & M are available at our warehouse for immediate dispatch. We offer various assortments of **L&M**. If your favorite assortment is not listed, please contact our support team and we will be more than happy to make it available for you.

You must have the legal age to buy tobacco products in your country before you can order at our online store.
